NASTAVA

Moja nastava je uglavnom fokusirana na teme iz oblasti pravne i forenzičke psihologije. Evaluacije studenata ukazuju na visoko zadovoljstvo mojim pristupom nastavi. Štaviše, dva puta sam bila nominovana za nagradu za najboljeg nastavnika (*Teacher prize*) na Maastricht Univerzitetu. Kao mentor, imam iskustvo u mentorisanju diplomskih radova, projekata za darovite studente (npr. *Marbel project*) i master radova, kako u ulozi prvog, tako i u ulozi drugog mentora. Stekla sam diplome *University Teaching Qualification* (UTQ; 2020) i *Senior University Teaching Qualification* (SUTQ; 2024). Do sada sam mentorisala približno 20 diplomskih radova i 60 master radova (+40 u ulozi drugog mentora). Konačno, takođe mentorišem dva kandidata na doktorskim studijama u okviru moje afilijacije sa Maastricht Univerzitetom, i učestvujem u doktorskom obrazovanju studenata psihologije na Univerzitetu u Torinu i Univerziteta u Rimu, Italija. Za listu kurseva i dostupne evaluacije do sada, molimo pogledajte Dodatak. Trenutno predajem kurseve iz kliničke i forenzičke psihologije na Univerzitetu u Novom Sadu.
