13th Novi Sad workshop on

Psycholinguistic, neurolinguistic and clinical linguistic research
(PNCLR13)

This multidisciplinary workshop aims at bringing together language studies that can contribute to the discussion of

a) the neurocognitive foundation of language,
b) the characterization, assessment and diagnosis of language pathologies, and
c) language processing.

High quality research papers describing original results of experimental and theoretical work in all areas of Psycholinguistics, Neurolinguistics and Clinical linguistics are invited for presentation.

Plenary speaker: Frank Tsiwah (University of Groningen, Holland) - AI and Clinical-Neuro Linguistics Research: Applications, Opportunities, and Challenges

Venue:
The workshop will be held **live** at the Faculty of Philosophy, University of Novi Sad, Serbia.

Abstracts for both oral and poster presentations should be written in English and limited to 500 words, with one extra page to include examples, references, tables and figures.

Abstracts should be anonymous, in Word or .rtf (rich text) format and in standard 12-point Times New Roman font, with margins of 1 inch. **No more than one single-authored and one co-authored abstract will be considered**. All abstracts will undergo a **double blind review** process.

Abstracts should be submitted via e-mail as a word attachment to the following address: pnclrworkshop@gmail.com

Deadline for abstract submissions: January 31, 2026
Notification of acceptance: February 20, 2026
Workshop date: April 25th, 2026

Conference fee:
Early bird (by March 10): 40 eur

Regular: 60 eur
The conference fee includes conference materials, coffee breaks and lunch.
